- **Upcoming new features In ICI (May 2017 - June 2017):**

- **Subject Category:** Redesigning Subject Category. This will be faster, user friendly and will have better analytical features. It will also have a new search, which will combine subject category and/or title/keyword. So for instance if a user wants to search for "Fish" as a keyword or as a part of a title and under subject category "Pisciculture", the system would find all the titles with "Fish" as a keyword/title available under subject category "Pisciculture". In addition to this there will be various others search options will be available in new Subject Category.
