Machine intelligence thus allows computers to imitate human cognitive processes or perform tasks that used to be done by humans. IOT gives these devices the power to talk. This convention is a platform to highlight and showcase the advancements, the power of Machine Intelligence and IOT, with a clear understanding of both Machine Intelligence and IOT. This convention also aims to bring together enthusiasts to exchange and share their experiences and ideas on all aspects Machine Intelligence and IOT. It gives an immense pleasure to inform you that JIS College of Engineering, Kalyani, is hosting CSI - West Bengal State Student Convention 2K19 for the year 2019-20 to be held on the 14th of November, 2019, organized by CSI Student Chapter, JIS College of Engineering.</p>
